Annual report

The directors are pleased to present their report, together with the audited financial statements of Warwyck Phoenix Securities Ltd, the "Company", for the year ended 31 December 2018.

Incorporation

The Company was incorporated in the Republic of Mauritius on 22 January 2015 under the Mauritius Companies Act 2001 as a private company with liability limited by shares.

Principal activity

The principal activity of the Company is to serve end customers by offering trading services in various instruments.

Results and dividends

The results for the year are shown on page 22.

A dividend of USD 250,000 was declared and paid during the year under review (2017: Nil).

Directors

The present membership of the Board is set out on page 2.

Directors' responsibilities in respect of the financial statements

Company law requires the directors to prepare financial statements for each financial year, which present fairly the financial position, financial performance and cash flows of the Company. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether International Financial Reporting Standards ("IFRS") have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors have confirmed that they have complied with the above requirements in preparing the financial statements.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements are in accordance with International Financial Reporting Standards and comply with the requirements of the Mauritius Companies Act 2001. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Annual report (Contd)

Contracts of significance

There were no contract of significance to which the Company was a party and in which a director was materially interested either directly or indirectly.

Going concern statement

On the basis of current projections, the directors are confident that the Company has adequate resources to continue operations for the foreseeable future and consider that the going concern basis in preparing the financial statements be adopted.

Donations

No donation was made by the Company.

External auditors

The external auditors, Grant Thornton, have indicated their willingness to continue in office and a resolution concerning their re-appointment will be proposed at the Annual Meeting.

Fees for non-audit services	4,600	4.370
Fees for audit services (VAT exclusive)	18,000	14,500

CORPORATE GOVERNANCE REPORT FOR THE YEAR ENDED 31 DECEMBER 2018

General Information

Warwyck Phoenix Securities Ltd, (the "Company"), was incorporated in Mauritius on 22 January 2015 as a private company with liability limited by shares. The Company's principal activity is to serve end customers by offering trading services in various instruments. The Company is licensed by the Financial Services Commission to operate as an Investment Dealer (Full Service Dealer, Excluding Underwriting).

The Company's registered office is Warwyck House, Nalletamby Road, Phoenix 73538, Republic of Mauritius.

The Company upholds standards of corporate governance through awareness of business ethics and supervision of its operations by the Board of Directors.

Principle 1: Governance Structure:

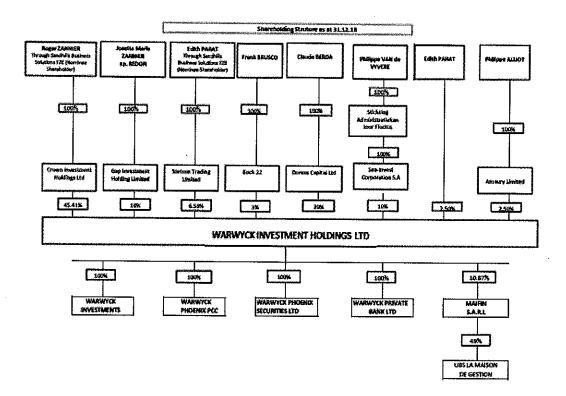

- 1.1 The Board and Management of the Company are committed to ensuring and maintaining a high standard of corporate governance within the Company. The Board recognises that the National Code of Corporate Governance for Mauritius 2016 (the "Code") is regarded as best practice and therefore uses its best endeavours to ensure compliance with the provisions set out in the Code.
 - The Board regularly monitors and evaluates compliance with its established ethical principles and standards.
 - The Board of Directors assumes full responsibility for leading and controlling the organisation and meeting all legal and regulatory requirements. In addition, the Board is collectively responsible for the long-term success, reputation and governance of the Company.
- 1.2 During the year under review, the Company has not adopted a Board Charter but intends to have one in the coming year. The Company is currently using the Code of Ethics which has been adopted at the level of Warwyck Group.
- 1.3 A clear definition of the roles and responsibilities of the Chairperson, executive directors as well as the Company Secretary will be defined in the Board Charter along with the statement of accountabilities which will be adopted in the coming year and will be included in the website of the Company.

CORPORATE GOVERNANCE REPORT FOR THE YEAR ENDED 31 DECEMBER 2018 (CONTD)

Principle 1: Governance Structure: (Contd)

1.4 Company structure and shareholding

The organisation structure is illustrated in the below diagram:

Shareholding:

At 31 December 2018, the stated capital of the Company stood at USD 34,000, represented by 34,000 ordinary shares with par value USD 1.

Warwyck Investment Holdings Ltd holds 100% of the Company shares.

Principle 2: The Structure of the Board and its Committees:

2.1 Board Structure

The Board of the Company has a unitary structure. The Board is of the view that current Directors have the range of skills, expertise and experience to carry out their duties effectively. The Board is composed of 3 directors coming from different sectors. Every director has drawn from his professional background and expertise in positively contributing to the Board's activities.

All Directors are ordinarily resident in Mauritius and the Board considers that its size and composition is reasonably sufficient to meet the requirements of the business of the Company.

CORPORATE GOVERNANCE REPORT FOR THE YEAR ENDED 31 DECEMBER 2018 (CONTD)

Principle 2: The Structure of the Board and its Committees: (Contd)

2.1 Board Structure (Contd)

The following directors held office during the year under review:

- Mr Toyeshwar Sharma Loday (appointed on 08 March 2016)
- Mr Pascal Dulau (appointed on 16 June 2016)
- Mr Rahul Girish Desai (appointed on 27 November 2017)

2.2 Board Composition

2.2.1 Chairperson

The members of the Board appointed Mr. Pascal Dulau as Chairperson on 19 April 2018. The Chairperson is not involved in the day-to-day running of the business and is not a full-time employee of the Company. Additionally, the Chairperson's title, role and function is separate from that of the Chief Executive Officer of the Company. Mr. Pascal Dulau resigned on 20 February 2019.

2.2.2 Executive Directors

The members of the Board appointed Mr. Toyeshwar Sharma Loday as Chief Executive Officer ("CEO") of the Company. In his capacity as CEO, Mr. Toyeshwar Sharma Loday is involved in the day to day running of the business and ensures that information pertaining to the day to day management of the Company are communicated to the Board. Alongside the CEO, the Board has appointed an additional executive director, namely Mr. Rahul Girish Desai, who is also involved in managing the daily affairs of the Company. Mr. Toyeshwar Sharma Loday resigned as CEO and Executive Director on 31 December 2018. Further to the resignation Mr. Toyeshwar Sharma Loday, Mr. Rahul Desai was appointed as the Chief Executive Officer on 01 January 2019.

Mr. Harishen Ashvin Cuttaree was appointed as an Executive Director on 06 February 2019.

2.2.3 Non-executive Directors

The members of the Board appointed Pascal Dulau as non-executive Director. In his capacity as non-executive Directors Mr. Dulau effectively contributes to Board discussions and effectiveness. Mr. Pascal Dulau resigned on 20 February 2019.

2.2.4 Independent Directors

Due to the size of the Company, the Company has not appointed additional independent Directors.

2.2.5 Company Secretary

Anex Management Services Limited ("Anex") is responsible for the provision of corporate secretarial services to the Company.

Anex, in its capacity as Company Secretary, provides the Board with detailed guidance as to how its responsibilities should be properly discharged in the best interests of the Company. In addition, the Company Secretary provides guidance on the statutory duties of the Board and the regulatory requirements of the Company. In the performance of its duties and functions, the Company Secretary acts as a vital bridge between the Board and executive management.

The Company Secretary further assists the Chairman and the Board in applying and implementing the principles of the Code with a view to enhancing long-term stakeholder's value.

CORPORATE GOVERNANCE REPORT FOR THE YEAR ENDED 31 DECEMBER 2018 (CONTD)

Principle 2: The Structure of the Board and its Committees: (Contd)

2.2.6 Board Diversity

The Board members are of the same gender and to be in compliance with the requirements of the Code, the Company is considering having at least one female member in the Board.

2.3 Board meetings

Board meetings are held at least twice yearly and at any additional times as the Company requires. Decisions taken between meetings are confirmed by way of written resolutions, agreed and signed by all Directors entitled to receive notice.

The Board meetings are conducted in accordance with the Company's Constitution and the Mauritius Companies Act 2001 and are convened by giving appropriate notice to Directors. Detailed agenda together with other supporting documents are circularized in advance by the Company Secretary to the Directors to enable them to make focused and informed deliberations at Board meetings.

The matters being considered at the meetings are as follows:

- to examine all statutory matters;
- to approve the audited financial statements and review important accounting issues;
- to review the Company's performance;
- to ensure compliance of the Company with the legislations;
- to take note of changes in the legislations which may affect the Company;
- to review management accounts; and
- to discuss any other business.

The Board promotes, encourages and expects open and frank discussions at meetings. Board meetings provide a forum for challenging and constructive debate.

During the year under review, the Board has met twice. Minutes of the proceedings of each Board meeting are recorded by the Company Secretary and submitted for confirmation at its next meeting where they are signed by the Chairperson and Company Secretary.

The table below shows the attendance of directors during the year ended 31 December 2018:

Directors	Attendance at Board
Pascal Dulau (appointed on 16 June 2016)	2/2
Toyeshwar Sharma Loday (appointed on 08 March 2016)	2/2
Rahul Girish Desai (appointed on 27 November 2017)	2/2

2.4 Board Committees

Due to the size of the Company, all decisions are taken at the level of the Board.

CORPORATE GOVERNANCE REPORT FOR THE YEAR ENDED 31 DECEMBER 2018 (CONTD)

Principle 3: Director appointment procedures:

3.1 Directors' appointment and procedures

According the clause 15 of the Company's Constitution, the Directors shall be appointed by Ordinary resolution. Directors are eligible for re-election at the Annual meeting of the Company subject to the relevant procedures laid down in the Company's constitution and the requirements of the Companies Act 2001.

The re-election of directors is subject to continued satisfactory performance following a formal performance evaluation of the individual directors' performance.

Upon any change in directorship, the Board assumes the responsibilities for succession planning as well as for the appointment of the new directors.

Directors' profiles are given hereinafter:

3.2 Directors' Profile

Pascal Dulau - Age 49 Director

Date of appointment: 16 June 2016 Date of Resignation: 20 February 2019

Pascal Dulau is of a French Nationality and is a Mauritian resident. Pascal holds an MBA in International Finance and Tax and a Master in Economics and Finance. He is a recognized leader with strong experience in change management and is familiar with managing multicultural and highly skilled team in challenging environments. He has twenty years' experience in Private Banking and Asset Management, with the BNP PARIBAS Group. Pascal started as portfolio manager and ended at the top management of BNP PARIBAS Switzerland. In his last position, he has been the head of credit offering for Switzerland and International Markets and has been a member of the Swiss Wealth Management Executive Committee. Previously, as CEO of BNP Paribas Bahamas, Pascal used to be director of different in-house Mutual funds and Private Equity Funds (PAI Europe LBO III, IV, V) and was involved in investment committees.

Directorship in other listed companies: 1

Toyeshwar Sharma Loday - Age 32 Director - Chief Executive Officer

Date of appointment: 08 March 2016 Date of Resignation: 31 December 2018

Toyeshwar Loday is a Director of Warwyck Phoenix Securities Ltd, being Chief Executive Officer with over ten years of experience in the financial services industry. Mr. Loday started his career with one of the major audit firm in Mauritius before moving to the investment field where he acquired solid experience investing in the Sub-Saharan Africa, and Emerging and Developed markets. Mr. Loday is a CFA Charterholder and a Fellow of the Association of Chartered Certified Accountants.

Directorship in other listed companies: none

CORPORATE GOVERNANCE REPORT FOR THE YEAR ENDED 31 DECEMBER 2018 (CONTD)

Principle 3: Director appointment procedures: (Contd)

3.2 Directors' Profile (Contd)

Mr Rahul Girish Desai - Age 30

Director - Executive

Date of appointment: 27 November 2017

Rahul Desai joined Warwyck Phoenix Securities Ltd in September 2017 as a Senior Trader and was subsequently appointed as Director of the Company. Mr. Desai is an astute trader with several years of experience in the investment field and extensive knowledge in the trading of international equities, forex, bonds, derivatives and funds. Rahul Desai is a Mechanical Engineering graduate from University College London (UCL).

Directorship in other listed companies: none

3.3 Board orientation and induction

An induction program is organized to ensure that newly appointed directors receive an induction upon joining the Board to familiarise them with the Company's operations, senior management and its business environment and to induct them in their fiduciary duties and responsibilities. The Company's relevant governing documents are provided to them.

3.4 Professional development

As part of the Board's commitment to continue improvement, an ongoing professional development and training programme is in place for directors. The Company ensures that the necessary resources for developing and updating its directors' knowledge and capabilities are provided as and when required. The Board has reviewed the professional development and ongoing education of directors for the year under review.

3.5 Succession planning

The Board of Directors believes that suitable plans are in place for the orderly succession of appointments to the board and to senior management positions in order to maintain an appropriate balance of knowledge, skills and experience within the organization and on the Board.

Principle 4: Directors duties, Senior executive remuneration and performance:

4.1 Conflict of interest

The Directors are aware of their legal duties and responsibilities.

The Board strictly believes that a Director should make his best effort to avoid conflict of interest or situation where others might reasonably perceive as a conflict.

All directors are subject to the disclosure and formality requirements of the Mauritius Companies Act 2001 in relation to transactions in which they have an interest.

It is the responsibility of each Director to ensure that any conflict of interest be recorded in the interest register as per Annexure 1 maintained by the Company Secretary. The said register is available to shareholder upon written request to the Company Secretary. The Directors are aware of their responsibility to make full and timely disclosure of any conflict, or potential conflict to the Board.

CORPORATE GOVERNANCE REPORT FOR THE YEAR ENDED 31 DECEMBER 2018 (CONTD)

Principle 4: Directors duties, Senior executive remuneration and performance (Contd)

4.2.1 Board Information

All Directors receive regular information about the Company so that they are equipped to play their role fully in Board Meetings. Papers for Board are circulated prior to the relevant meeting. All Board Members have access to the Company Secretary for any further information they require. The appointment and removal of the Company Secretary is a matter for the Board as a whole. Independent professional advice is available to directors in appropriate circumstances, at the Company's expense.

The Board members of the Company ensure that matters relating to the Company, learned in their capacity as Directors, are strictly confidential and private and shall not be divulged to anyone without the express authority of the Board.

The Company Secretary maintains an interest register which is available to shareholder upon written request.

4.2.2 Related Party transactions

The related party transactions have been set out in note 20 of these financial statements.

4.2.3 Board evaluation

No evaluation of the Board has been done for the year under review and same will be considered in the next financial year.

4.2.4 Information, Information Technology and Information Security Governance

The Company has entered into a Service Level Agreement ("SLA") with Warwyck Private Bank Ltd ("WPBL") for various services, namely information governance system. The Board has adopted the Information Security Policy of WPBL which includes the provision of Information technology and Information Security services. Monitoring and evaluation of significant expenditure is covered under the SLA with WPBL. Any significant expenditure in information technology is discussed and approved at the level of the Board

The information governance framework of the Company is regularly assessed by the Board.

4.2.5 Statement of Remuneration Policy

Setting a Statement of Remuneration Policy is to attract, retain and motivate the right level high calibre personnel and reward in alignment with their individual as well as joint contribution towards the achievement of the Company's objective and performance, whilst taking into consideration the current market conditions and the Company's financial position

The Board has reviewed the adequacy of senior executives remuneration and reasonably believes that the current remuneration policy is fair and reasonable having regard to the skills, knowledge and experience brought by the Directors to the Company.

Non-executive remuneration

The remuneration of the non-executive directors is included in the service fees payable to Warwyck Private Bank Ltd in accordance with the Service Level Agreement.

The non-executive directors have not received remuneration in the form of share options or bonuses associated with the performance of the organisation.

CORPORATE GOVERNANCE REPORT FOR THE YEAR ENDED 31 DECEMBER 2018 (CONTD)

Principle 4: Directors duties, Senior executive remuneration and performance (Contd)

4.2.5 Statement of Remuneration Policy (Contd)

Executive remuneration

Directors who are in full time employment with the Company are entitled to a fixed salary as per their contract of employment. They do not receive any additional remuneration for attending the Board meetings and Committees.

Principle 5: Risk Governance and Internal Control

The Board is ultimately responsible for the Company's system of internal control and for reviewing its effectiveness.

The Board has the overall responsibility for the Company's systems of risk management and internal control and for reviewing their effectiveness. The responsibility for setting risk strategy, assessing and assuring the quality of the risk management process remains with the Board. In its bid to promote sound and balanced growth, the Board places key emphasis on the Company's risk management framework and internal control system.

The Company has entered into a Service Level Agreement with Warwyck Private Bank Ltd for various services, including general internal audit support. As part of internal control system, the Company has a Procedures Manual in place for implementing, maintaining and monitoring the internal controls.

The areas, systems and processes covered by the internal audit through a service level agreement which also includes non-financial matters are listed on the internal audit plan which is approved by the Board. The Internal Auditor is authorised to have full and unrestricted access to records, personnel, and physical properties relevant to the performance of its engagements.

The internal and external audit reports are, thereafter, tabled directly to the Board.

Based on the issues or risks identified by the internal and external auditors, their recommendations and management actions adopted to mitigate the risks, the Board received assurance that the internal control systems are adequate and effective. Subsequently, the Board ensures that controls in place result in an acceptable level of risk whilst also overseeing the effectiveness of the Company's internal control systems. Management acknowledges there may be risks or deficiencies but work with Internal Auditor and external auditors to identify same. The Board has received assurance that internal controls are adequate and effective

The Board is of the opinion that all significant areas of the business are covered by the internal controls of the Company. Management acknowledges that there may be risks and deficiencies in the internal controls and actively works in identifying/ resolving risks or deficiencies in the organisation's system of internal controls

5.1 The financial risk factors have been set out in note 4 of these financial statements.

5.2 Whistle blowing policy

The Company has adopted the whistle blowing policy of Warwyck Group.

CORPORATE GOVERNANCE REPORT FOR THE YEAR ENDED 31 DECEMBER 2018 (CONTD)

Principle 6: Reporting with integrity:

The directors are responsible for the preparation and fair presentation of the financial statements, comprising the Company's statement of financial position, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and the notes to the financial statements, which include a summary of significant accounting policies and other explanatory notes, in accordance with International Financial Reporting Standards ("IFRS") and the Mauritius Companies Act 2001.

The directors' responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of these financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Notice of Annual Meeting is sent to shareholder in a timely manner and minutes of Annual Meetings are sent to shareholder for review and comments, in accordance with the Companies Act.

The directors assess the Company's ability to continue as a going concern and same is disclosed in the financial statements every year.

Due to the nature of its activities the Company has:

- no adverse impact on environment;
- no health and safety issues;
- no adverse social issues;
- no corporate social responsibility in place;
- not made any donations during the current or in previous year.

The Statement of Directors Responsibilities is found on Page 3 of the Annual Report

The Annual report will be published on the company's website, within ninety (90) business days after the financial year-end.

Principle 7: Audit:

7.1 Internal Audit

The internal audit function of the Company is carried by the Bank by virtue of a Service Level Agreement. It regularly reports to the Board.

More information on the internal audit function is given under Principle 5 and on page 12 of the Corporate Governance Report.

7.2 External Audit

Grant Thornton has been appointed as external auditors of the Company since its incorporation in 2014.

Grant Thornton was re-appointed as External Auditors of the Company during the Annual Meeting of Shareholder held on 21 June 2018 for the ensuing year.

During the meetings, the financial statements of the Company and the accounting principles adopted are discussed and no significant issues were identified.

CORPORATE GOVERNANCE REPORT FOR THE YEAR ENDED 31 DECEMBER 2018 (CONTD)

Principle 6: Reporting with integrity: (Contd)

7.2 External Audit (Contd)

Audit fees payable to Grant Thornton for the year under review amounted to USD 18,000 (31 December 2017: USD 14,500).

The Company has appointed Grant Thornton (Advisory Services) Ltd for tax compliance and other services. Tax service fees for tax services for the year under review amounted to USD 4,600 (31 December 2017: USD 4,370).

The audit and advisory department of Grant Thornton are two separate departments and the manager and signing partner for the provision of each service are different persons.

Principle 8: Relations with Shareholder and other key stakeholders:

8.1 Shareholder's Agreement

The Board has no knowledge of any Shareholder's Agreement entered by Shareholder.

8.2 Employee Share Option Plan

The Company has no Employee Share Option Plan.

8.3 Third Party Management Agreement

Save and except for the Service Level Agreement with Warwyck Private Bank Ltd, no agreement relating to management services between third parties and the Company was entered during the year under review.

8.4 Shareholder and Stakeholders communication

The Board of Directors places great importance on transparency and optimal disclosure to shareholder and hence ensures that shareholder are kept informed on matters affecting the Company. All material business developments that influence the Company are communicated to stakeholders in a transparent and timely manner through various communication channels including official press announcements.

Annual audited financial statements are provided to shareholder within ninety (90) business days after each financial year-end. The company does not conduct shareholder's meeting.

8.5 Key Stakeholders

Key stakeholders of the Company include international financial institutions and/or their relevant divisions (banking/custody/brokerage/asset management) with which the Company is in regular communication to ensure that all the requirements of the stakeholders are met for proper business conduct and for them to also understand the Company's requirements and exigencies.

8.6 Appreciation

The Board expresses its appreciation and gratitude to all those involved for their contribution during the year.

Statement of Compliance

(Section 75(3) of the Financial Reporting Act 2004)

Name of Company:

Warwyck Phoenix Securities Ltd

Reporting Period:

Financial year ended 31 December 2018

We, the directors of Warwyck Phoenix Securities Ltd, (the 'Company'), hereby confirm to the best of our knowledge that the Company has complied with all its obligations and requirements under the Code of Corporate Governance (the 'Code') except for the following sections:

1. Principle 1:

No Board Charter (page 5)

Job descriptions and statement of accountabilities (page 5)

Disclosure on website (page 5)

2. Principle 2:

No independent director (page 7)

Board diversity -- No female director on the Board (page 8)

No committees in place (page 8)

3. Principle 4:

Board evaluation (page 11)

The reasons of non-compliance with the above principles of the Code are provided in the Corporate Governance Report.

Director

Independent auditors' report To the member of Warwyck Phoenix Securities Ltd

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Warwyck Phoenix Securities Ltd, the "Company", which comprise the statement of financial position as at 31 December 2018, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements on pages 21 to 46 give a true and fair view of the financial position of the Company as at 31 December 2018, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards and comply with the requirements of the Mauritius Companies Act 2001.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditors' Report Thereon ("Other Information")

Management is responsible for the Other Information. The Other Information comprises mainly of information included under the Corporate Data, Annual Report, Corporate Governance Report, Statement of Compliance and Report from the Company's Secretary as required in the Mauritius Companies Act 2001, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the Other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Other Information and, in doing so, consider whether the Other Information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this Other Information, we are required to report that fact. We have nothing to report in this regard, with the exception of the information provided below.

Independent auditors' report (Contd) To the member of Warwyck Phoenix Securities Ltd

Report on the Audit of the Financial Statements (Contd)

Information Other than the Financial Statements and Auditors' Report Thereon ("Other Information")

Corporate Governance Report

Our responsibility under the Financial Reporting Act is to report on the compliance with the Code of Corporate Governance disclosed in the annual report and assess the explanations given for non-compliance with any requirements of the Code. From our assessment of the disclosures made on Corporate Governance in the annual report, the Company has complied with the requirements of the Code.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of the financial statements in accordance with International Financial Reporting Standards and comply with the requirements of the Mauritius Companies Act 2001, and for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

• Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Grant Thornton Mauritius is a member firm of Grant Thornton International Ltd (GTIL). GTIL and the member firms are not a worldwide partnership. Services are delivered by the member firms. GTIL and its member firms are not agents of, and do not obligate, one another and are not liable for one another's acts or omissions.

Independent auditors' report (Contd) To the member of Warwyck Phoenix Securities Ltd

Report on the Audit of the Financial Statements (Contd)

Auditors' Responsibilities for the Audit of the Financial Statements (Contd)

- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Other matter

Our report is made solely to the member of the Company as a body in accordance with Section 205 of the Mauritius Companies Act 2001. Our audit work has been undertaken so that we might state to the Company's member those matters we are required to state to it in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's member as a body, for our audit work, for this report, or for the opinion we have formed.

Independent auditors' report (Contd) To the member of Warwyck Phoenix Securities Ltd

Report on Other Legal and Regulatory Requirements

In accordance with the requirements of Mauritius Companies Act 2001, we report as follows:

- we have no relationship with, or any interests in, the Company other than in our capacity as auditors;
- · we have obtained all the information and explanations we have required; and
- in our opinion, proper accounting records have been kept by the Company as far as it appears from our examination of those records.

Warwyck Phoenix Securities Ltd

Notes to the financial statements

For the year ended 31 December 2018

1. General information and statement of compliance with IFRS

Warwyck Phoenix Securities Ltd, the "Company", was incorporated in the Republic of Mauritius under the Mauritius Companies Act 2001 on 22 January 2015 as a private company with liability limited by shares. The Company holds a Category 1 Global Business Licence and an Investment Dealer (Full Service Dealer, Excluding Underwriting) Licence issued by the Financial Services Commission. The Company's registered office is Warwyck House, Nalletamby Road, Phoenix 73538, Republic of Mauritius.

The principal activity of the Company is to serve end customers by offering trading services in various instruments.

The financial statements of the Company have been prepared in accordance with International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board ("IASB").

2. Application of new and revised IFRS

2.1 New and revised standards that are effective for the year beginning on 01 January 2018

In the current year, the following new and revised standards and interpretation issued by IASB became mandatory for the first time for the financial year beginning on 01 January 2018:

IAS 40	Transfers of Investment Property
IFRIC 22	Foreign Currency Transactions and Advance consideration
IFRS 4	Applying IFRS 9 Financial Instruments with IFRS 4 Insurance Contracts (Amendments to IFRS
IFRS 9	Financial Instruments (2014)
IFRS 2	Classification and Measurement of Share-based Payment Transactions (Amendments to IFRS 2)
IFRS 15	Revenue from Contracts with Customers

Management has assessed the impact of these new and revised standards and interpretation and concluded that only IFRS 9, Financial Instruments (2014) and IFRS 15, Revenue from Contracts with Customers have an impact on these financial statements.

The adoption of IFRS 15 and IFRS 9 have the following impact on the financial statements.

IFRS 15 replaces IAS 18 "Revenue", IAS 11 "Construction Contracts", and several revenue-related interpretations. The application of IFRS 15 does not have a material impact on the recognition and measurement of revenue by the Company. The Company's accounting policy on revenue is detailed in Note 3.7 to these financial statements.

IFRS 9 "Financial Instruments"

IFRS 9 replaces IAS 39 "Financial Instruments: Recognition and Measurement". It makes major changes to the previous guidance on the classification and measurement of financial assets and introduces an "expected credit loss" model for impairment of financial assets.

Notes to the financial statements

For the year ended 31 December 2018

2. Application of new and revised IFRS (Contd)

2.1 New and revised standards that are effective for the year beginning on 01 January 2018 (Contd)

When adopting IFRS 9, the Company has applied transitional relief and opted not to restate prior years. Differences arising from the adoption of IFRS 9 in relation to classification, measurement and impairment are recognised in retained earnings. However, no differences were noted for the Company that were meant to be recognised in retained earnings as illustrated in the table below.

The Company's financial instruments comprise of other receivables, cash and cash equivalents, borrowings, other payables and accruals. The application of IFRS 9 will only have an impact on the following areas:

- the reclassification of the Company's financial assets from loans and receivables to amortised cost.
- the impairment of financial assets applying the expected credit loss model. This affects the Company's other receivables measured at amortised cost.

On the date of initial application, 01 January 2018, the financial instruments were reclassified as follows:

			Hall		Aleman	
					interacti	
	imena itt	i i i i i i i i i i i i i i i i i i i	3	ال المنظلية

Total financial liabilities	· ·		305,899	-	305,899	-

^{*}Other receivables exclude prepayments and deposit.

There have been no changes to the classification or measurement of financial assets and financial liabilities as a result of the application of IFRS 9.

The Company's accounting policy on financial instruments is detailed in Note 3.2 to these financial statements.

Notes to the financial statements

For the year ended 31 December 2018

2. Application of new and revised IFRS (Contd)

2.2 Standards, amendments to existing standards and Interpretation that are not yet effective and have not been adopted early by the Company

At the date of authorisation of these financial statements, certain new standards, amendments to existing standards and one interpretation, have been published but are not yet effective, and have not been adopted early by the Company.

Management anticipates that all of the relevant pronouncements, as relevant to the Company's activities, will be adopted in the Company's accounting policies for the first period beginning after the effective date of the pronouncements.

Information on new standards, amendments to existing standards and interpretation is provided below:

IFRS 16	Leases
IFRIC 23	Uncertainty Over Income Tax Treatments
IFRS 9	Prepayment Features with Negative Compensation (Amendments to IFRS 9)
IAS 28	Long-term Interests in Associates and Joint Ventures (Amendments to IAS 28)
IFRS 17	Insurance Contracts
IAS 19	Plan Amendment, Curtail or Settlement (Amendments to IAS 19)
IAS 1/IAS 8	Definition of Material (Amendments to IAS 1 and IAS 8)
IFRS 3	IFRS 3 Definition of a Business (Amendments to IFRS 3)

Management has yet to assess the impact of the above standards, amendments and interpretation on the Company's financial statements.

3. Summary of accounting policies

3.1 Overall considerations

The financial statements have been prepared using the significant accounting policies and measurement bases summarised below.

3.2 Financial instruments

Recognition, initial measurement and derecognition

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument. Subsequent measurement of financial assets and liabilities are described below.

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and all substantial risks and rewards are transferred.

A financial liability is derecognised when it is extinguished, discharged, cancelled or expired.

Notes to the financial statements

For the year ended 31 December 2018

Summary of accounting policies (Contd)

3.2 Financial instruments (Contd)

Classification and subsequent measurement of financial assets

All assets are initially measured at fair value adjusted for transaction costs.

Financial assets, other than those designated and effective as hedging instruments, are classified into the following categories:

- amortised cost
- fair value through profit or loss (FVTPL)
- fair value through other comprehensive income (FVOCI)

In the current year, the Company does not have any financial assets categorised as FVOCI and FVTPL.

The classification is determined by both:

- the Company's business model for managing the financial asset; and
- the contractual cash flow characteristics of the financial asset.

All income and expenses relating to financial assets that are recognised in profit or loss are presented within finance income, finance costs or other financial items, except for impairment of receivables which is presented within other expenses.

Financial assets at amortised cost

Financial assets are measured at amortised cost if the assets meet the following conditions (and are not designated as FVTPL):

- they are held within a business model whose objective is to hold the financial assets and collect its contractual cash flows; and
- the contractual terms of the financial assets give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial recognition, these are measured at amortised cost using the effective interest method. Discounting is omitted where the effect of discounting is immaterial. The Company's cash and cash equivalents and other receivables fall into this category of financial instruments.

Impairment of financial assets

IFRS 9's impairment requirements use more forward-looking information to recognise expected credit losses—the 'expected credit loss (ECL) model'. This replaces IAS 39's 'incurred loss model'. Instruments within the scope of the new requirements included loans and other debt-type financial assets measured at amortised cost and FVOCI, trade receivables, contract assets recognised and measured under IFRS 15 and loan commitments and some financial guarantee contracts (for the issuer) that are not measured at fair value through profit or loss.

Notes to the financial statements

For the year ended 31 December 2018

3. Summary of accounting policies (Contd)

3.2 Financial instruments (Contd)

Classification and subsequent measurement of financial assets (Contd)

Impairment of financial assets (Contd)

Recognition of credit losses is no longer dependent on the Company first identifying a credit loss event. Instead the Company considers a broader range of information when assessing credit risk and measuring expected credit losses, including past events, current conditions, reasonable and supportable forecasts that affect the expected collectability of the future cash flows of the instrument.

In applying this forward-looking approach, a distinction is made between:

- financial instruments that have not deteriorated significantly in credit quality since initial recognition or that have low credit risk ('Stage 1'); and
- financial instruments that have deteriorated significantly in credit quality since initial recognition and whose credit risk is not low ('Stage 2').

'Stage 3' would cover financial assets that have objective evidence of impairment at the reporting date.

'12-month expected credit losses' are recognised for the first category while 'lifetime expected credit losses' are recognised for the second category.

Measurement of the expected credit losses is determined by a probability-weighted estimate of credit losses over the expected life of the financial instrument.

Previous financial asset impairment under IAS 39

In the prior year, the impairment of other receivables were based on the incurred loss model. The new impairment model makes use of historical data related to the loans and advances portfolio to analyse historical cash flows as they relate to the recoverability of defaulted and non-defaulted loans. The model segments the loan portfolio by the jurisdiction in which the loan originated, creating ECL parameters specific to each jurisdiction.

Classification and subsequent measurement of financial liabilities

As the accounting of financial liabilities remains largely the same under IFRS 9 compared to IAS 39, the Company's financial liabilities were not impacted by the adoption of IFRS 9.

The Company's financial liabilities include payables and accruals and borrowings.

Financial liabilities are initially measured at fair value, and, where applicable, adjusted for transaction costs unless the Company designated a financial liability at fair value through profit or loss.

Subsequent measurement of financial liabilities

Subsequently, financial liabilities are measured at amortised cost using the effective interest method except for derivatives and financial liabilities designated at FVTPL, which are carried subsequently at fair value with gains or losses recognised in profit or loss.

All interest-related charges and, if applicable, changes in an instrument's fair value that are reported in profit or loss are included within finance costs or finance income.

Notes to the financial statements

For the year ended 31 December 2018

3. Summary of accounting policies (Contd)

3.2 Financial instruments (Contd)

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the statement of financial position when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

3.3 Foreign currency

Functional and presentation cuttency

The financial statements are presented in currency United States Dollar ("USD"), which is also the functional currency of the Company.

Foreign currency translations and balances

Foreign currency transactions are translated into the functional currency of the Company, using the exchange rates prevailing at the dates of the transactions (spot exchange rate). Foreign exchange gains and losses resulting from the settlement of such transactions and from the re-measurement of monetary items denominated in foreign currency at year-end exchange rates are recognised in the statement of comprehensive income.

Non-monetary items are not retranslated at year-end and are measured at historical cost (translated using the exchange rates at the transaction date), except for non-monetary items measured at fair value which are translated using the exchange rates at the date when fair value was determined.

3.4 Cash and cash equivalents

Cash and cash equivalents comprise of cash on hand and demand deposits together with other short-term, highly liquid investments maturing within 90 days from the date of acquisition that are readily convertible into known amounts of cash and which are subject to an insignificant risk of change in value.

Bank overdrafts are shown separately within current liabilities under the heading of "Borrowings" in the statement of financial position.

3.5 Equity, reserves and dividend payments

Stated capital represents the nominal value of shares that have been issued.

Retained earnings include all the current and prior years' results.

Dividend payments to the equity shareholder are included in retained earnings when the dividends have been approved by the Board prior to the reporting date.

Notes to the financial statements

For the year ended 31 December 2018

Summary of accounting policies (Contd)

3.6 Provisions

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required from the Company and a reliable estimate of the amount can be made. At time of effective payment, the provision is deducted from the corresponding expenses. All known risks at the reporting date are reviewed in detail and provision is made where necessary.

3.7 Revenue

The Company assesses its revenue arrangements against specific criteria in order to determine it is acting as broker or agent. The Company has concluded that it is acting as a broker in all of its revenue arrangements. Commission income is recognised in accordance with the substance of the relevant agreements in place.

To determine whether to recognise revenue, the Company ensures that the following 5 conditions are satisfied:

- 1. Identifying the contract with a customer.
- 2. Identifying the performance obligations.
- 3. Determining the transaction price.
- 4. Allocating the transaction price to the performance obligations.
- 5. Recognising revenue when/as performance obligation(s) are satisfied.

The Company recognises revenue when it has fulfilled its performance obligations by delivering the contractual services to its customers.

3.8 Expense recognition

All expenses are accounted for on the accrual basis.

3.9 Income taxes

Tax expense recognised in profit or loss comprises the sum of deferred tax and current tax not recognised in other comprehensive income or directly in equity.

Current income tax assets and/or liabilities comprise those claims from, or obligations to, fiscal authorities relating to the current or prior reporting periods, that are unpaid at the reporting date. Current tax is payable on taxable profit, which differs from profit or loss in the financial statements. Calculation of current tax is based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting year.

Deferred income taxes are calculated using the liability method on temporary differences between the carrying amounts of assets and liabilities and their tax bases.

Notes to the financial statements

For the year ended 31 December 2018

3. Summary of accounting policies (Contd)

3.9 Income taxes (Contd)

Deferred tax assets and liabilities are calculated, without discounting, at tax rates that are expected to apply to their respective period of realisation, provided they are enacted or substantively enacted by the end of the reporting year.

Deferred tax assets are recognised to the extent that it is probable that they will be able to be utilised against future taxable income, based on the Company's forecast of future operating results which is adjusted for significant non-taxable income and expenses and specific limits to the use of any unused tax loss or credit. Deferred tax liabilities are always provided for in full.

Deferred tax assets and liabilities are offset only when the Company has a right and intention to set off current tax assets and liabilities from the same taxation authority.

Changes in deferred tax assets or liabilities are recognised as a component of tax income or expense in profit or loss, except where they relate to items that are recognised in other comprehensive income or directly in equity, in which case the related deferred tax is also recognised in other comprehensive income or equity, respectively.

3.10 Related party transactions

A related party is a person or company where that person or company has control or joint control of the reporting company; has significant influence over the reporting company; or is a member of the key management personnel of the reporting company or of a parent of the reporting company.

3.11 Plant and equipment

Motor vehicles

Motor vehicles are initially recognised at acquisition cost or manufacturing cost, including any costs directly attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by the Company's management. Motor vehicles are subsequently measured using the cost model, cost less subsequent depreciation and impairment losses.

Depreciation is recognised on a straight-line basis to write down the cost less estimated residual values. The depreciation rate is 20%.

Plant and equipment held under finance leases are depreciated over their expected useful lives on the same basis as owned assets.

Where the carrying amount of an asset is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount. Gains and losses on disposal of motor vehicles are determined by reference to their carrying amount and are taken into account in determining operating profit. On disposal of an asset, the difference between the carrying value of the asset and sale consideration is taken to the statement of comprehensive income.

The assets' residual values, useful lives and methods of depreciation are reviewed and adjusted, if appropriate, at each reporting date. Repairs and maintenance costs are expensed as incurred.

Notes to the financial statements

For the year ended 31 December 2018

3. Summary of accounting policies (Contd)

3.12 Leased assets

Finance leases

The economic ownership of a leased asset is transferred to the lessee if the lessee bears substantially all the risks and rewards of ownership of the leased asset. Where the Company is a lessee in this type of arrangement, the related asset is recognised at the inception of the lease at the fair value of the leased asset or, if lower, the present value of the lease payments plus incidental payments, if any. A corresponding amount is recognised as a finance lease liability.

See Note 3.11 for the depreciation method and useful lives for assets held under finance leases. The corresponding finance lease liability is reduced by lease payments net of finance charges. The interest element of lease payments represents a constant proportion of the outstanding capital balance and is charged to statement of comprehensive income as finance costs over the period of the lease.

3.13 Impairment of assets

At each reporting date, the Company reviews the carrying amounts of its assets to determine whether there is any indication that these assets have suffered any impairment loss. When an indication of impairment loss exists, the carrying amount of the asset is assessed and written down to its recoverable amount.

3.14 Borrowings

Borrowings are recognised initially at fair value, net of transaction costs incurred. Borrowings are subsequently carried at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in profit or loss over the year of the borrowings using the effective interest method.

3.15 Post-employment benefits and short-term employee benefits

National pension scheme

Contributions to the National Pension Scheme are expensed to the statement of comprehensive income in the year in which they fall due.

Short-term employee benefits

Short-term employee benefits, including passage benefit, holiday entitlements, sick and local leaves are included in salaries and related costs

3.16 Comparatives

Where necessary, comparative figures have been adjusted to conform to changes in presentation in the current year.

Notes to the financial statements

For the year ended 31 December 2018

3. Summary of accounting policies (Contd)

3.17 Significant management judgements in applying accounting policies and estimation uncertainty

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

Significant management judgement

Significant management judgement in applying the accounting policies of the Company that has the most significant effect on the financial statements is set out below.

Determination of functional currency

The determination of the functional currency of the Company is critical since recording of transactions and exchange differences arising therefrom are dependent on the functional currency selected. The directors have considered those factors and have determined that the functional currency of the Company is the USD.

Estimation uncertainty

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be substantially different.

Useful lives of depreciable assets

Management reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets. At year end, management considered that the useful lives represent the expected utility of the assets of the Company. The carrying amounts are analysed in Note 7.

4. Financial instrument risk

Risk management objectives and policies

The Company's activity exposes it to a variety of financial risks: market risk (including foreign exchange risk and interest rate risk), credit risk and liquidity risk. The Company's risk management is carried out under policies approved by the Board of Directors and focuses on securing the Company's short to medium term cash flows by minimising the exposure to financial risks.

The Company's financial assets and financial liabilities by category are summarised below.

Financial assets Current	Other receivables* Cash and cash equivalents	96,628 1,053,718
Financial assets

The most significant financial risks to which the Company is exposed are described below:

Notes to the financial statements

For the year ended 31 December 2018

4. Financial instrument risk ((Contd)

Risk management objectives and policies (Contd)

4.1 Market risk analysis

Foreign currency sensitivity

The Company is exposed to foreign exchange risk arising from its currency exposures, primarily with respect to the Euro ("EUR"), the Mauritian Rupee ("MUR") and the Swiss Franc ("CHF"). Consequently, the Company is exposed to the risk that the exchange rates of the USD relative to the EUR, the MUR and the CHF may change in a manner which has a material effect on the reported value of the Company's assets and liabilities which are in EUR, MUR and CHF. The Company does not use any financial instruments to hedge its foreign exchange risk.

Foreign currency denominated financial assets and liabilities which expose the Company to currency risk are disclosed below. The amounts shown are those reported to key management translated into USD at the closing rate:

	Prenuel	Francel	Enariel	. Principal
	et et e	i i i i i i i i i i i i i i i i i i i	in in the second	intilies.
	2213	2018	2017	2017
	usin .	٠	UND	. usd
EUR	1,094,702	-	279,716	3,806
USD	49,580	722,282	142,910	274,414
MUR	6,045	12,211	1,044	27,679
CHF	19	-	3	-
	1,150,346	734,493	423,673	305,899

The following table illustrates principally the sensitivity of profit and equity with regards to the Company's financial assets and financial liabilities and the USD/EUR, USD/MUR and USD/CHF exchange rate, "all other things being equal".

It assumes the following percentage changes in the exchange rates for the year ended 31 December 2018:

	V.	
USD/CHF	0.2%	4%
USD/MUR	2%	7%
USD/EUR	4%	13%
	2018 % change	2017 % change

These percentages have been determined based on the average market volatility in exchange rates in the previous 12 months. The sensitivity analysis is based on the Company's foreign currency financial instruments held at each reporting date.

Notes to the financial statements

For the year ended 31 December 2018

4. Financial instrument risk (Contd)

Risk management objectives and policies (Contd)

4.1 Market risk analysis (Contd)

Foreign currency sensitivity (Contd)

If the USD had strengthened against EUR by 4% (2017: 13%) and MUR by 2% (2017: 7%) respectively, then this would have the following impact:

	irrofit ar 2018 List	deruity 2017 USD
EUR	(43,788)	(35,868)
MUR	(123)	(1,864)

If the USD had weakened against the EUR by 4% (2017: 13%) and MUR by 2% (2017: 7%) respectively, then this would have the following impact:

	Prefit and 2018 USO	eaulty 2017 Use
EUR	43,788	35,868
MUR	123	1,864

It the USD had strengthened /weakened against CHF by 0.4% (2017: 4%), then the profit and equity of the Company would only be marginally affected.

Interest rate sensitivity

The Company's exposure to interest rate risk is limited to its bank balance and the interest thereon is based on market rates. At 31 December 2018, the bank balance stood at USD 1,053,718 (2017: USD 269,220) and no bank interest was earned during the financial year.

4.2 Credit risk analysis

Credit risk is the risk that a counterparty fails to discharge an obligation to the Company. The Company's exposure to credit risk is limited to the carrying amounts of financial assets recognised at the reporting date, as summarised below:

	2018 USD	
Current assets		
Other receivables	96,628	154,453
Cash and cash equivalents	1,053,718	269,220
Total	1,150,346	423,673

Notes to the financial statements

For the year ended 31 December 2018

4. Financial instrument risk (Contd)

Risk management objectives and policies (Contd)

4.2 Credit risk analysis (Contd)

The credit risk associated with other receivables is considered low since the Company transacts with a related company with good credit history. The intercompany receivables were recovered after year end.

The credit risk for the bank balances is considered negligible, since the counterparties are reputable banks.

The carrying amount of financial assets recorded in the financial statements represents the Company's maximum exposure to credit risk.

None of the above financial assets are secured by collateral or other credit enhancements.

4.3 Liquidity risk analysis

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as and when they fall due. The Company's approach to managing liquidity risk is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Ultimate responsibility for liquidity risk management rests with the Board of Directors who also monitors the Company's short, medium, and long-term funding and liquidity management requirements.

The following are the contractual maturities of financial liabilities:

21 December 2018	Cattylish empusit USD	Centractual seeth fores USD	Lass than Star year USD	Mare Has Soft yes Usb

Total	305,899	308,172	294,876	13,296

Notes to the financial statements

For the year ended 31 December 2018

5. Fair value measurement

5.1. Fair value measurement of financial instruments

The Company's financial assets and financial liabilities are measured at their carrying amounts which approximate their fair values.

5.2 Fair value measurement of non-financial instruments

The Company's non-financial assets consist of prepayments and deposits and its non-financial liabilities consist of current tax liabilities and deferred tax liabilities, for which fair value measurement is not applicable since these are not measured at fair value on a recurring or non-recurring basis in the statement of financial position.

6. Capital management policies and procedures

The Company's objectives when managing capital are to safeguard its ability to continue as a going concern in order to provide returns to its member.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid, buy back shares or issue new shares.

The Company monitors capital on the basis of the gearing ratio. The Company was not geared for the years 31 December 2017 and 31 December 2018.

The borrowings were as follows:

31 December 2018	2018	2017
31 December 2018	usb :	USD
Debts (i)	250,937	23,932
Cash and cash equivalents	(1,053,718)	(269,220)
Net debt		
Equity (ii)	446,377	178,012
Total capital	446,377	178,012
Gearing ratio		-

- (i) Debt is defined as long and short term borrowings as detailed in Note 11.
- (ii) Equity includes to both capital and reserves.

Notes to the financial statements

For the year ended 31 December 2018

7. Plant and equipment

At 31 December	31,388	39,656
Net book values		
At 31 December	19,983	11,715

Summary of borrowings arrangements

Fair value

The fair value of the finance lease liabilities is approximately equal to their carrying amount.

Bank overdraft

The bank overdrafts are pledged against the Companys' accounts held with the banks.

Leasing arrangements

Finance leases relate to motor vehicles with leases of approximately 3 years. The Company has options to purchase the leased assets for a nominal amount at the conclusion of the lease arrangements. The Company's obligations under finance leases are secured by the lessors' title to the leased assets.

12. Payables and accruals

	2018 USD	14.11 2017
AND	USD	USD.
Due to a related party	409,042	240,584

	2018 : USD WEST	2017 USD

15. Shared expenses

Shared expenses are fees payable to a related party for accounting, compliance and other services.

16. Exchange fees

The exchange fees relate to fees paid to various global stock exchanges to provide trading access to these stock exchanges.

17. Retrocession

Retrocessions are fees paid to business introducers who bring in clients to the Company.

18. Finance income

Notes to the financial statements

For the year ended 31 December 2018

19. Taxation

(i) Income tax

The Company, under current laws and regulations, is liable to pay income tax on its net income at a rate of 15%. The Company is, however, entitled to a tax credit equivalent to the higher of actual foreign tax suffered or 80% of Mauritius tax payable in respect of its foreign source income thus reducing its maximum effective tax rate to 3%. No Mauritian capital gains tax is payable on profits arising from sale of securities, and any dividends paid by the Company to its shareholder will be exempt in Mauritius from any withholding tax.

At 31 December 2018, the Company had an income tax liability of USD 14,454 (2017: income tax asset of USD 1,489).

Statement of comprehensive income

Statement of financial position

At 31 December	(14,454)	1,489
Over provision for prior year		1,672
Tax paid under APS	1,755	3,831
Tax liability for the year	(16,209)	(2,342)
Tax refund during the year	(1,489)	(7,272)
At 01 January	1,489	5,600
	2018 USD	2017 USD

(ii) Income tax reconciliation

The tax on the Company's profit before tax differs from the theoretical amount that would arise using the basic tax rate of the Company as follows:

	" USD " "	2017 USD
Profit before tax	534,583	88,999
Tax calculated at the rate 15%	80,187	13,350
Non-allowable expenses	1,943	1,240
Annual allowances	(1,083)	(2,880)
Movement in deferred taxation	9	•
Over provision for prior year	-	(1,672)
Deemed tax credit	(64,838)	(9,368)
Tax expense	16,218	670

Notes to the financial statements

For the year ended 31 December 2018

19. Taxation (Contd)

(iii) Deferred taxation

Deferred income tax is calculated on all temporary differences under the liability method at the rate of 3%. At 31 December 2018, the deferred tax liability recognised in the statement of financial position amounted to USD 291 (2017: 282).

The deferred tax liability is made up of:

20. Related party transactions

The nature, volume of transactions and the balances with the related parties are as follows:
